

1 Cut out the parts and fold them along the fold lines on each.

2 As for the card, fold it in half and glue it. Then, cut it out according to its shape.

3 Add some glue to the boot's tip and sole parts so that you are tucking glue tab A between boot (front) and boot (back). As for the others, use the glue tabs to attach them.

4 Write your message on the card of your choice, place it in the boot and you're done!
*You can decorate the boot or envelope with your favorite stickers, to make your card even more original!
